

## LEAGUE AND COMPETITION RULES

The Competitions shall be played according to Bowls England Rules and shall be under the management of the Executive Committee. This Committee shall determine all questions and disputes that may arise.

### THE LEAGUE

1. League competition is open to all affiliated Clubs. Clubs shall apply every second year to be included in the league, and an entry fee shall be paid annually.
2. The league is divided into two sections. In both sections, each club shall play the others. In alternate years, a draw shall be made to determine the League programme. The next year the same programme shall apply with the venues reversed.
3. A league match will be played by four players on each side and shall consist of 18 ends. A Win shall count two points and a Draw one point to each side. Should more than one Club in the same section have an equal number of points at the end of the programme, the Club with the greatest difference of Shots shall be the winner of the section. Within this competition no player can play for two different clubs.
4. The Secretary of the Club must notify the Competitions Secretary of the Association of the result of the match within 24 hours of play.
5. Any League match that cannot be played or completed owing to bad weather shall be played at a future date to be mutually arranged by the Clubs concerned. Any unfinished games shall be resumed with the scores as they were when the game was stopped. They must then be played to a finish. Two trial ends are allowed on the resumption of an unfinished game. All leagues shall be completed by **15<sup>th</sup> August**.
6. It is hoped that clubs will co-operate with each other but any club which cannot field a team on the date agreed for the match and where an alternative date cannot be found, shall forfeit the game and lose 1 point from their existing total. The opponents will receive 2 points and 7 shots. If the offence is repeated by the same club the following year, then that club shall not be entered in the next league draw.
7. The games will be played in Club colours or Greys whether combined with a friendly or not.

### COMPETITIONS

1. The first named player in the Competition draw shall be the Challenger and the players in the first match shall constitute the team. The Challenger shall offer her Opponent the choice of THREE dates for play.
