Individual 's details will not be disclosed or sold to any other organisation other than as anonymous data unless required to do so by law or we have your separate consent.

We understand that the Club can hold personal data, which is required as a benefit of membership, without the need for consent provided it is adequate, relevant and not excessive. The committee are clear that the personal data we hold meets these tests.

However, we feel it is necessary to obtain your explicit consent for the following and this must be 'opt in' rather than 'opt out'.

- Allow affiliated organisations to publish the contact details of a member, should they wish.

Please tick and sign the attached Consent form and return it to me. The detailed Data Privacy Notice may be seen on the MBBC website and on the notice board in the hut.
